Reach Ahead and Experiential Learning Opportunities

Reach ahead experiences enable students to gain confidence in their ability to be successful, refine skills and work habits, make informed choices about future careers and next steps. Experiential learning opportunities are planned learning activities that take place outside the traditional classroom setting.

Examples of reach ahead and experiential activities are:

- One-on-one observation of a cooperative education student at a placement in the sector
- A day-long observation of an employer or employee (job shadowing) in the sector
- A one- or two-week placement at a local tourist attraction
- Participation in a local, provincial, or national Skills Canada competition
- Attendance at a hospitality sector trade show, conference, or job fair
- A tour of a tourism or hospitality business
- Assisting at a community competition or event
- Participation in a wilderness survival camp
- Interviewing a college or university student enrolled in a program related to this Sector
- Interviewing an employee in the sector
